Agent for Italy of

Sealed and Electrofused Products

STARA GLASS coordinates all the specific activities of the other Companies of HYDRA Group for the glass market.

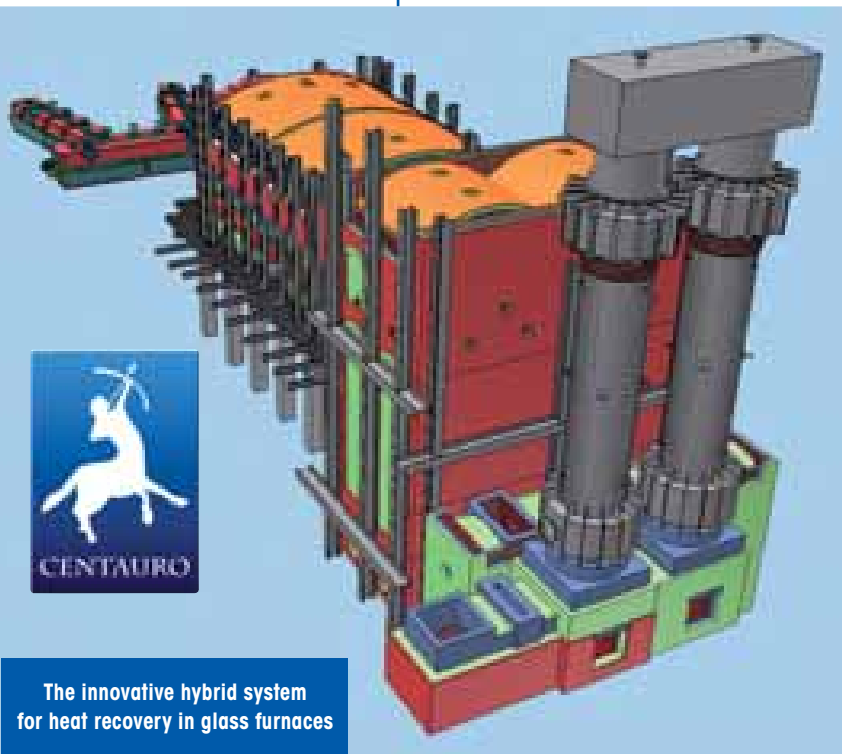

AREAS OF ACTIVITY

The Hydra Group developed basing its efforts on the long experience of STARA GLASS, which started with the demolition of glass furnaces and recovery of refractory scraps in the early 50s.

Since the 80s, it has been offering complete service to glass manufacturers. The constant progress of the group has allowed new agency agreements to be formed with the most important manufacturers of refractory materials, mechanical plants and electronic control instruments.
